 - International Maritime Security Conference (IMSC) 2015
 - 5th Maritime Information Sharing Exercise (MARISX) / Ex Bell Buoy
 - 5th WPNS Multilateral Sea Exercise (WMSX)

International Maritime Security Conference

- IMSC 2015 was held on 20 May 15
- The theme was “Safe and Secure Seas – Strengthening Maritime Cooperation”
- The conference was divided into two sessions to discuss:
 - Challenges and Cooperation in Maritime Security
 - Maritime Futures and Challenges

International Maritime Security Conference

- A total of eight speakers, comprising three Navy Chiefs, three vice-chiefs and two Fleet Commanders
- All speakers emphasised the importance of multilateral co-operation to enhance regional maritime security and secure sea lines of communications

5th MARISX / Ex Bell Buoy

- The 5th MARISX / Ex Bell Buoy was held from 18 to 22 May 15 at the Changi Command and Control Centre

Situation Brief to VIPs at Changi Command and Control Centre

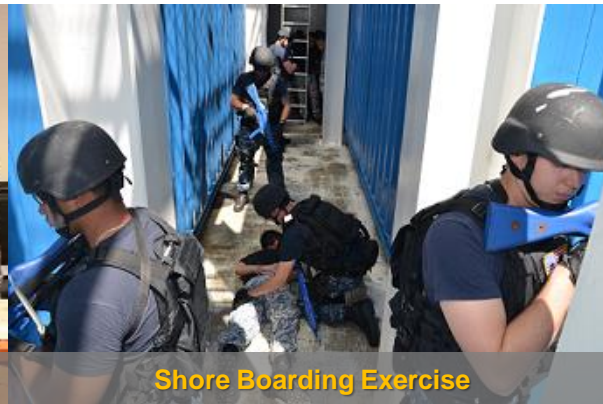

5th MARISX / Ex Bell Buoy

- A total of 83 participants and 42 operation centres (OPCENs) from 29 countries participated
- Exercise made use of real-life maritime incidents as scenario injects to enhance realism and to highlight the value of information-sharing
- Information-sharing processes were enhanced with all participating countries

5th WPNS Multilateral Sea Exercise

- Held from 18 to 22 May 15 and comprised a simulator exercise at the Naval Tactical Trainer, a Shore Boarding Exercise and a Sea Exercise
- Inaugural use of CUES during a multilateral exercise

5th WPNS Multilateral Sea Exercise

- 15 warships, one Maritime Patrol Aircraft and two Naval Helicopters from ten navies participated
- Exercise enhanced mutual understanding and promoted interoperability

5th WPNS Multilateral Sea Exercise

- Exercise met objectives to enhance mutual understanding and inter-operability
- Participants feedback that exercise was conducted professionally and exercise scenario provided good level of complexity
