

5th International Maritime Security Conference

Maritime Information Sharing Exercise 2017/ 2nd ASEAN Maritime Security Information Sharing Exercise

6th WPNS Multilateral Sea Exercise

RSN-hosted Activities in May 17

- The RSN will host a maritime security conference and two exercises, in conjunction with its International Maritime Review and the International Maritime Defence Exhibition (IMDEX) Asia in May 17
 - 5th International Maritime Security Conference (IMSC)
 - Maritime Information-Sharing Exercise (MARISX) 2017 / 2nd ASEAN Maritime Security Information Sharing Exercise (AMSISX)
 - 6th WPNS Multilateral Sea Exercise (WMSX)

International Maritime Security Conference

- 5th IMSC will be held on 16 May 17
- The theme is “Safe and Secure Seas – A Vision for a Maritime Region”
- The conference will be divided into two sessions to discuss:
 - Pursuing Common Maritime Objectives
 - Responding to Transnational Maritime Security Threats

International Maritime Security Conference

- There will be nine speakers for the two sessions

Speakers at the 4th IMSC in 2015

International Maritime Security Conference

- Provides an excellent platform for leadership discourse on common objectives for the Asia-Pacific region and how they can be achieved
- Speakers will discuss ways to promote practical solutions to address transnational maritime safety and security threats, and share their views on existing regional mechanisms to deal with them

MARISX 2017/ 2nd AMSISX

- MARISX 2017/ 2nd AMSISX will be held from 15 to 18 May 17 at the Changi Command and Control Centre

Situation Brief to VIPs at Changi Command and Control Centre during MARSIX 2015

MARISX 2017/ 2nd AMSISX

- A total of 80 participants from 26 countries and 50 operation centres (OPCENs) are expected to participate
- Exercise will focus on worldwide info-sharing and sense-making of MARSEC areas such as Maritime Terrorism, Piracy and Sea Robbery and Organised Crimes
- Information-sharing processes will be enhanced with all participating countries

6th WPNS Multilateral Sea Exercise

- The 6th WMSX will be conducted in South China Sea (11 – 13 May)
- Communication and manoeuvring serials will be conducted to exercise CUES and promote procedural interoperability

6th WPNS Multilateral Sea Exercise

- Up to 24 warships from 17 navies are expected to participate

Thank you
